

Dear TA Community,

I want to thank the whole Taos Academy community for allowing me the opportunity to take a few months leave. My time away was fun while also being reflective and rejuvenating. Thank you Ms. Christie Berg for stepping in and holding up our TA community as interim Head Administrator. If I can speak for us all, we appreciate all your time supporting our staff and students at TA. My gratitude also extends to the administration, staff and students for your focus on our mission of excellence and for always providing such a high level, safe educational environment. It is all of you who make our environment one that I love being a part of. I have missed all of you and I am greatly looking forward to returning on February 3rd.

Thank you,

Traci Filiss

Happy February! If students are doing the same internship, they just need to complete a March and May progress report this semester to continue to get elective credit.

- If students start a new internship, they MUST complete another Internship Agreement and Memorandum of Understanding and turn it in to the internship classroom.

If you are new to TA or you have just started a new internship please come talk to Mr. J. Weisfeld ASAP for an orientation. Internship will not be allowed until each candidate has done an orientation with Mr. J

Weisfeld. Only after new students have been oriented, will they be invited to join the Internship Classroom.

Taos Academy's Internship Program gives elective credit to high school students who are volunteering in the community, participating in a sports program, or gaining job experience. In order to receive credit, students must have the business or organization they are working with and parent/guardian fill out these forms and documentation or hours:

1. ["Memorandum of Understanding"](#)
2. ["Internship Agreement"](#)
3. [Summer](#), Fall ([October](#) and [December](#)), Spring ([March](#) and [May](#)) progress reports (1 for summer, 2 per fall and spring semester)

***If an internship is outside the TA community (not eSports, Science Club,) then follow the below process to turn in forms:

1. Print from the Classroom or get copies from Mr. J.
2. Fill out forms and get signatures in pen.
3. Download the Google Classroom app.
4. Take photographs of the signed documents then turn each photograph in to the Internship Classroom in to the correct assignment.

* Each document MUST be turned in to the appropriate dated assignment and will not be given credit until they are in their correct assignment (ie-don't turn in the Memorandum into the Agreement assignment)

*Students/families keep the paper copies for their records.

The "Memorandum of Understanding" is signed by TA's director and by the business/organization/team at which the student is interning. This document is an agreement between the school and the business and it protects the business while students are participating in the internship.

The "Internship Agreement" is a form that details the volunteer, sports, or job opportunity. It must be signed by the student, mentor, coach or job supervisor, the parent, and TA's director.

The "Progress Reports" are dated and must be completed by the supervising party-2 for each semester of internship credit (only one progress report is needed for a summer internship) and must include a supervisor signature and hours. Progress reports that are turned late, risk the loss of internship credit.

For Fall/Spring:

Both progress reports turned in on time= A grade

Only one progress report on time= C grade

No progress report=No credit

Summer Progress Reports only require one signature and will be completed once school starts in the fall.

All parties must provide their contact information for the form to be considered complete.

If a form is missing or incomplete, a student will not receive credit for their internship. Contact Mr. Weisfeld at jweisfeld@taosacademy.org if you have any questions.

Immigrant Defense Project has been monitoring Immigration and Customs Enforcement (ICE) arrests in the community.

KNOW YOUR RIGHTS with ICE

Who is at risk of being arrested by ICE?

The law allows the federal government to deport certain immigrants, including:

- Anyone without lawful immigration status
- People with status (e.g., lawful permanent residents, refugees and visa holders) who have certain criminal convictions

The federal government directs ICE on who they should target for arrest. ICE officers will decide to prioritize the arrest of people who they claim:

- Pose a threat to “national security,”
- Unlawfully entered the U.S. on or after November 1, 2020, or
- Pose a current threat to “public safety.” ICE will consider factors such as:
 - a person’s recent criminal cases and arrests by the police
 - any charges involving firearms or weapons

These priorities have changed twice under the Biden Administration and may change again. Even if you believe you do not fall into the priorities, ICE could still decide to arrest you if you are vulnerable to deportation.

Immigration and Customs Enforcement (ICE) is one of the federal government agencies responsible for deporting people. ICE is part of the U.S. Department of Homeland Security (DHS).

Are ICE agents approaching anyone they think they can deport?

ICE agents usually identify the person they want to arrest ahead of time. Then, they go to homes, courthouses, shelters and even workplaces to look for that person. Increasingly, they are waiting on the street to make the arrest.

If I know I’m at risk, what can I do?

- **Make a plan** with your loved ones in case you are picked up by ICE!
- **Avoid contact with Immigration** – don’t apply to change your immigration status or to renew your green card and don’t travel outside of the United States without talking to a lawyer first!
- **Avoid contact with the Criminal Justice System** – the police share your fingerprints with Immigration!

People with legal status and prior convictions

Be aware: You may be a target even if:

- Your conviction is from years ago;
- You didn’t serve time in jail;
- Your case was minor or a misdemeanor;
- You’ve been an LPR for a long time; and/or
- All the other members of your family are US citizens.

IF YOU OR A LOVED ONE IS AT RISK OF DEPORTATION, HAVE A PLAN!

Knowing which rights you have and exercising them is complicated.

For more information on ICE community arrests, please see IDP’s longer booklet at immigrantdefenseproject.org/ice-arrests or contact KYR@immdefense.org

What should I do if ICE agents approach me on the street or in public?

When ICE agents arrest someone in public (or after stopping a car), it typically happens quickly. They may call your name out loud and ask you to confirm your name and then detain you.

- Before you say your name or anything else, **ask, "AM I FREE TO GO?"**
 - **If they say YES:** Say, "I don't want to answer your questions" or "I'd rather not speak with you right now." Walk away.
 - **If they say NO:** Use your right to remain silent! Say, "I want to use my right not to answer questions" and then "I want to speak to a lawyer."
- If ICE starts to search inside your pockets or belongings, **say, "I do not consent to a search."**
- **DON'T LIE or show false documents. Don't flee or resist arrest.**
- Don't answer questions about your immigration status or where you were born. They will use any information you provide against you. Do not hand over any foreign documents such as a passport, consular IDs, or expired visas.
- If you are in Criminal Court for a court date, ask to speak to your defender before they take you away.

If officers come to my home, will I know they are from ICE?

Not always! Beware: ICE agents often pretend to be police and say they want to talk to you about identity theft or an ongoing investigation.

Can ICE agents enter my home to arrest me?

If ICE agents do not have a warrant signed by a judge, they cannot enter the home without permission from an adult. Opening the door when they knock does not give them permission to enter your home.

So, what do I do if officers are at my door?

- Find out if they are from DHS or ICE.
- Try to stay calm. Be polite. Don't lie. **Say "I don't want to talk to you right now."**
- Politely ask to see a warrant signed by a judge and to slip it under the door. If they don't have one, decline to let them in.
- If they are looking for someone else, **ask them to leave contact information.** You don't have to tell them where to find the person and you should **not** lie.

What can I do if ICE is inside my home to make an arrest?

- Tell them if there are children or other vulnerable residents at home.
- Ask them to step outside unless they have a warrant signed by a judge.
- If they came inside without your permission, tell them **"I do not consent to you being in my home. Please leave."**
- If they start to search rooms or items in your home, tell them **"I do not consent to your search."**
- If ICE is arresting you, tell them if you have medical issues or need to arrange for childcare.

What are my rights if I am being arrested by ICE?

- You have the right to **remain silent.** You have the **right to speak to a lawyer.**
- **DO NOT LIE.** It can only hurt you in the future.
- You do **NOT have to share any information** about where you were born, what your immigration status is, or your criminal record. Ask to speak to a lawyer instead of answering questions.
- You do **NOT have to give them your consular documents or passport** unless they have a warrant from a judge.
- You do **not have to sign anything.**

IDP updated this information in November 2021. For more info, please see IDP's longer booklet at immigrantdefenseproject.org/ice-arrests

El Proyecto de Defensa al Inmigrante (Immigrant Defense Project — IDP) ha estado observando los arrestos por parte del ICE en la comunidad.

¡Entérate de tus derechos!

¿Quién está en riesgo de ser arrestado por el ICE?

La ley permite al gobierno federal deportar a ciertas inmigrantes, incluyendo:

- Cualquier persona que está indocumentada
- Personas con estatus legal (p.ej. residentes permanentes legales (en inglés, lawful permanent residents), refugiados y visa tenedores) que tienen ciertas condenas o infracciones penales

El gobierno federal le indica a la agencia de ICE a quién debe de arrestar. Los oficiales de ICE entonces decidirán que las personas considerados una prioridad para el arresto son las personas que supuestamente:

- Son amenaza a la “seguridad nacional”
- Ingresaron sin autorización a los EE.UU. a partir del 1 de noviembre del 2020, o
- Representan una amenaza actual para la “seguridad pública”. ICE puede considerar factores como:
 - los casos penales recientes de una persona y los arrestos por parte de la policía
 - Cualquier cargo penal involucrando pistolas o armas de fuego

Estas prioridades han cambiado dos veces bajo la Administración del Presidente Biden y podrían cambiar de nuevo. Aunque crea que usted no cae entre las prioridades, ICE aún podría decidir arrestarlo si es vulnerable a la deportación.

Para personas con estatus legal y condenas o infracciones anteriores:

Tenga cuidado: Ud. puede estar en riesgo aunque:

- Su condena es de hace muchos años;
- No tuvo que cumplir una sentencia en la cárcel;
- El caso era relacionado a un delito u ofensa menor;
- Es Residente permanente legal desde hace mucho tiempo;
- Los demás miembros de su familia son ciudadanos estadounidenses

El Servicio de Inmigración y Control de Aduanas (Immigration and Customs Enforcement, o “ICE”) es una de las agencias federales responsables por deportar a personas en los Estados Unidos. El ICE es parte del Departamento de Seguridad Nacional de los Estados Unidos (U.S. Department of Homeland Security).

¿El ICE se está acercando a todo aquel que le parece deportable?

Los agentes del ICE normalmente identifican con anticipación a la persona que desean arrestar. Después visitan a las casas, juzgados, refugios, y hasta sitios de trabajo en busca de esta persona.

Cada vez con mayor frecuencia, esperan en la calle para hacer el arresto.

Si se que estoy en riesgo de ser deportado, ¿qué puedo hacer?

- **Haz un plan** de antemano con tu familia por si te detiene ICE.
- **Evita el contacto con la Inmigración** — no apliques por un ajuste de estatus, la ciudadanía o para renovar tu tarjeta de residencia, y no viajes afuera de los Estados Unidos sin hablar con un abogado primero.
- **Evita el contacto con el sistema criminal legal** (la policía comparte tus huellas con las agencias de inmigración)

SI UD. O UN SER QUERIDO ES VULNERABLE A LA DEPORTACIÓN, ¡HAGA UN PLAN!

¡Ten cuidado! Ejercer tus derechos puede ser difícil.

Para más información acerca de los arrestos comunitarios de ICE, favor de consultar: immdefense.org/derechos o comunicar con KYR@immdefense.org.

¿Cuáles son mis derechos si el ICE me detiene en la calle o en la corte criminal?

Tienes menos protecciones legales si ICE te encuentra en la calle, en un auto, o en la corte que en tu casa. Las interacciones ocurren rápidamente y quizás te llamarán por nombre y pedirán que confirmes tu nombre o identidad para luego arrestarte.

- Antes de dar tu nombre o contestar a preguntas, pregunta: **“¿Soy libre de irme?”**
 - **Si dicen que sí**, entonces deberías irte y respetuosamente decir, “No quiero responder a ninguna pregunta.”
 - **Si dicen que no**, ejerce tu derecho de permanecer callado! Di, “No quiero responderle a ninguna pregunta,” y luego, “Quiero hablar con un abogado.”
- **Si te examinan los bolsillos o pertenencias, di, “No tiene mi permiso para hacer esta búsqueda.”**
- **NO MIENTAS y no le des ninguna documentación extranjera o falsa.** No te huyas. No te resistas al arresto.
- No contestes preguntas sobre tu estatus migratorio o donde naciste. Cualquier información que proporciones será usada en tu contra. No entregues ningún documento extranjero, tales como un pasaporte, identificación consular, o visas expiradas.
- Si estas en la Corte Criminal para una cita, pidele al ICE que te dejara hablar con tu abogado penal antes del arresto.

¿Pueden entrar los agentes del ICE a mi casa para arrestarme?

Si los agentes del ICE no tienen una orden firmada por un juez, no pueden entrar a la casa sin el permiso de un residente que es mayor de edad. Abrir la puerta cuando tocan no significa concederles el derecho de entrar.

Entonces, ¿qué puedo hacer si agentes del ICE están en la puerta de mi casa?

- Pregúntales si trabajan por el DHS o el ICE (Inmigración).
- Trata de mantenerte tranquilo y respetuoso. No mientas. Diles, **“No quiero hablar con ustedes ahora.”**
- Pídeles que te muestren una orden judicial y que la pasen por debajo de la puerta. Si no la tienen, diles, **“No les doy permiso de entrar.”**
- Si buscan a otra persona, pídeles que dejen su información de contacto. No tienes que decirles cómo localizar a la persona que desean arrestar. **No mientas.**

¿Qué puedo hacer si el ICE está en mi casa para hacer un arresto?

- Diles de inmediato si hay niños o ancianos presentes.
- Si no tienen una orden firmada por un juez, pídeles que salgan de la casa.
- Si entraron sin tu permiso, diles, **“No les doy permiso de estar en mi casa. Favor de irse.”**
- Si empiezan a tocar cosas o caminar por la casa, diles, **“No consiento a esta búsqueda.”**
- Si el ICE te arresta, diles si tienes una condición médica o si necesitas coordinar cuidado de niños.

Si el ICE me arresta en la casa, ¿cuáles son mis derechos?

- Tienes **el derecho de permanecer callado. Tienes el derecho de hablar con un abogado.**
- **NO MIENTAS.** Sólo te puede hacer daño.
- **No tienes que dar ningún tipo de información** sobre tu lugar de nacimiento, tu estatus migratorio, o tu record criminal. De hecho, si te lo das, puede dañar tu caso.
- **No tienes que entregarle al ICE tus documentos consulares o pasaporte** a menos que tienen una orden firmada por un juez.
- **No tienes que firmar ningún documento.**
